

2019

Dear Community Member,

This year marks the 20th anniversary of the biggest community event in our area. Thank you to everyone who has helped with this event over the past 20 years. **RWB** is going strong thanks to the financial gifts of sponsors like you, countless volunteers, city and county officials, media outlets and many businesses. Without this amazing support and passion from our community we would not have made it to the 20th anniversary of the **Red, White & Blue Festival**.

To stay strong, **Red, White & Blue** needs you, the community – Your donations, volunteers, partnerships, departments and churches to come together once again. Don't miss your opportunity to be part of this year's spectacular **20th Anniversary Red, White & Blue Festival June 28th & 29th** at the beautiful ASUMH Campus!

Please look over the various levels of support on the back of this letter and make your tax-deductible donation today! Every dollar donated will go toward making this fantastic weekend a success. We have provided a self-addressed envelope to make your donation as easy as possible.

Thank you for your generous support both for the past 20 years and this year.

Sincerely,

The 2019 **Red, White & Blue** Festival's Sponsorship Committee

Brian Plumlee

Katie King Risk

Trevor Himschoot
